

Kick Off Day starts with an exciting & hilarious magic show featuring

Prof Whizpop!

The fun continues with a wet & wild foam party behind the library—swimwear & towels recommended!

Mr. Damon's Shadow Puppet Theatre is up next.

Such a cool way to share stories! We'll meet some furry friends with **Animal Tales**.

Local artist **Winston Strickland of Mad Skillz Dance**, and choreographer for the World Games in Birmingham, will stop by to teach us about the art of dance, complete with a fun hip-hop lesson!
